CHARITY PARTNERSHIP – ALZHEIMER SCOTLAND

CHARITY PARTNERSHIP – THE SCOTMID DIFFERENCE

Scotmid as a Charity Partnership

We actively collaborate with our charity partners to develop meaningful and engaging fundraising initiatives together. Our approach ensures that each partnership is built on shared values, fostering deeper connections between our customers, colleagues and members, and the causes we support.

What makes us different is our hands-on involvement in working with our charity partners to create and deliver impactful fundraising events. By working **side by side**, we empower our charity partners, our teams, and local communities to play an active role in fundraising efforts, ensuring a greater sense of ownership and shared success. **We believe that successful partnership is both sides fully committing to making a difference together.**

Our charity partnerships are rooted in **genuine engagement**. We don't just support charities from a distance—we work together and become part of their journey. This community-first approach strengthens relationships, drives innovation in fundraising, and maximises the positive impact we can have together.

Let's join forces, get creative, and make a lasting impact.

Charity Partnership Fundraising

We have supported many great causes through our charity partnerships. The majority of funds raised are generated through colleague-led fundraising initiatives across our stores, sites, and offices.

JOIN THE SCOTMID FAMILY

"We are blown away by the efforts made by the Scotmid family to raise funds and awareness for Guide Dogs. Thanks to them, we are now in a position to raise and train a whole litter of guide dogs and five new highly trained specialists – this will help fund hundreds of people who struggle with sight loss."

Kyla McVicar, Business Development Manager at Guide Dogs

"Our partnership with Scotmid Co-operative was a great success. It allowed the RNLI to reach people in hundreds of communities across the country with our water safety advice. It also gave Scotmid customers and staff the unique opportunity to help fund a new RNLI lifeboat by raising £274,000. Thanks to their support, the lifeboat, which was named 'The Spirit of Cooperation' is now helping to save lives at sea and will do so for many years to come. The partnership has truly left a lifesaving legacy and helped the RNLI continue its mission to save lives at sea."

Paul McKeown, Fundraising and Partnership Lead, RNLI

"We absolutely loved being Scotmid's 2024/2025 charity partner. The support and generosity from Scotmid colleagues across the business was absolutely incredible and enabled us to reach more people impacted by cancer across Scotland and Northern England with vital financial and psychological support from day one of a diagnosis. We'd absolutely encourage charities to apply for this brilliant partnership."

Hannah Harding, Corporate Partnerships Lead at Maggie's
